# STATEMENT BY THE MANAGEMENT AND BOARD OF DIRECTORS ON THE ANNUAL ACCOUNTS

The board of directors and the management have of this date reviewed and approved the annual accounts for the financial year 1 January to 31 December 2023 for CARE Danmark, the foundation for voluntary development assistance.

The annual accounts are submitted in accordance with the articles as well as the law of accepted accounting principles for foundations and certain associations as described in applied accounting principles as well as announcement no. 1701 of 21 December 2010 on financial and administrative conditions of recipients of grants to operations by the Ministry of Culture.

It is our perception that the annual account gives a true and fair picture of the foundation's assets, liabilities, and financial position per 31 December 2023 as well as the result of the foundation's activities and cash flow for the financial year 1 January – 31 December 2023.

It is also our perception that there has been established procedures and internal controls which support that the transactions that are part of the annual account is in accordance with the announced grants, laws, and other regulations as well as with awarded contracts and common practice; and that sound financial management has been applied in the administration of the funds and in the operation of the activities, which are included in the accounts.

Furthermore, it is our perception that systems and processes are in place, which supports economy, productivity and efficiency. Lastly, it is our perception that the management's review contains a true and fair statement of the development of the organisation's activities and financial relations as well as a description of the risks that the organisation can be affected by.

The annual account is recommended for approval.

# INDEPENDENT AUDITOR'S REPORT

**To the Board of CARE Danmark, fonden for frivillig ulandsbistand**

## **Opinion**

We have audited the financial statements of CARE Danmark, fonden for frivillig ulandsbistand for the financial year 1 January – 31 December 2023, which comprise income statement, balance sheet and notes, including accounting policies. The financial statements are prepared in accordance with generally accepted accounting principles, as described in the accounting policies and in consideration of the Executive Order No. 1701 of December 21, 2010, on financial and administrative conditions for recipients of operating grants from the Ministry of Culture, chapters 2 and 6.

In our opinion, the financial statements of CARE Danmark, fonden for frivillig ulandsbistand for 1 January – 31 December 2023 are prepared, in all material respects, in accordance with generally accepted accounting principles, as described in the accounting policies and in consideration of the Executive Order No. 1701 of December 21, 2010, on financial and administrative conditions for recipients of operating grants from the Ministry of Culture, chapters 2 and 6.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark and in accordance with the Executive Order No. 1701 of December 21, 2010, on financial and administrative conditions for recipients of operating grants from the Ministry of Culture, chapters 2 and 6. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Independence**

We are independent of the CARE Danmark in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

## **Management's responsibilities for the financial statements**

Management is responsible for the preparation of financial statements in accordance with generally accepted accounting principles, as described in the accounting policies and in consideration of the Executive Order No. 1701 of December 21, 2010, on financial and administrative conditions for recipients of operating grants from the Ministry of Culture, chapters 2 and 6 and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the CARE Danmark ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the CARE Danmark or to cease operations, or has no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the [Foundation's/Association's] internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the [Foundation's/Association's] ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the [Foundation/Association] to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Statement on the Management's review**

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements. We did not identify any material misstatement of the Management's review.

### **Report on other legal and regulatory requirements**

#### **Statement on compliance audit and performance audit**

Management is responsible for ensuring that the transactions included in the financial reporting comply with appropriations granted, legislation and other regulations and with agreements entered into and usual practice; and that due financial consideration has been taken of the management of the funds and

operations covered by the project financial statements. Consequently, Management is responsible for establishing systems and procedures supporting economy, productivity and efficiency.

In performing our audit of the project financial statements, it is our responsibility to perform compliance audit and performance audit of selected items in accordance with public auditing standards. When conducting a compliance audit, we test the selected items to obtain reasonable assurance as to whether the transactions covered by the financial reporting comply with the relevant provisions of appropriations, legislation and other regulations as well as agreements entered into and usual practice. When conducting a performance audit, we perform assessments to obtain reasonable assurance as to whether the tested systems, processes or transactions support due financial considerations in relation to the management of funds and operations covered by the project financial statements.

We must report on any grounds for significant critical comments, should we find such when performing our work.

We have no significant critical comments to report in this connection.

## MANAGEMENT'S REVIEW

CARE Danmark is a private and independent aid organisation working in 22 countries divided on five regions: West Africa, East Africa, Middle East, Asia and Europe. CARE Danmark is part of CARE International – one of the world's largest humanitarian organisations.

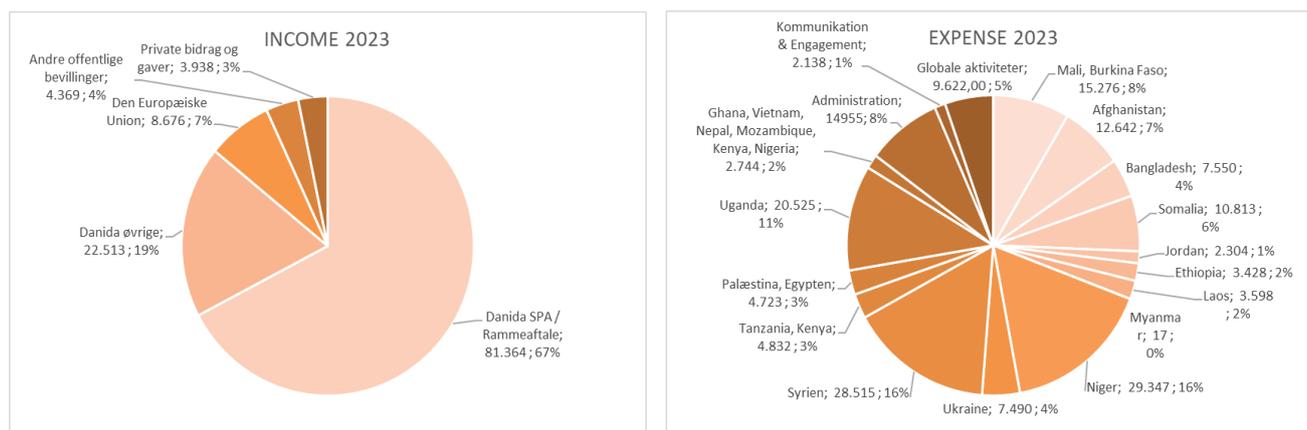

In December 2018, CARE Danmark adopted a new strategy with the vision of 'A green and fair world'. The new strategy is focusing on climate, green solutions and sustainability as well as an enhanced green humanitarian effort particularly related to climate disasters. Additionally, CARE Danmark is focusing on innovation and private partnerships along with an increased effort to engage the Danish people in CARE's activities.

Care Danmark's Income before periodization totalled 141 million DKK in 2023, while the total revenue recorded for the fiscal year amounts to 181 million DKK. CARE Danmark receives more than 79% of its income from Danida through support for specific projects and programmes. The share of EU funds constitutes 6% of the total revenue. In addition, CARE Danmark receives support from other institutional donors as well as from foundations, corporations, and private donors.

In 2023, total received contributions to projects and programmes amounted to 120.8 million DKK, of which 103.9 million DKK came from Danida, 8.6 million DKK from the EU and 8.3 million DKK from corporations, foundations and private donors for specific projects.

In 2022, a new strategic partnership agreement with Danida commenced for the period 2022-2025 with an annual grant of 55 million DKK. Unspent funds in amount of DKK 14 million from 2022 have been periodized for 2023. Through the flexible application mechanism, where strategic partners can apply for additional funding for acute humanitarian crises, CARE Denmark has been granted additional 4 top-up grants from Danida in 2023, which collectively increased the total grant for 2023 to 109 million DKK, of which 87 million was recognized as revenue in 2023 and the remaining is carried forward for recognition and expenditure in 2024.

In 2023, CARE Denmark continued to prioritize humanitarian interventions through the continuation of humanitarian programs in Afghanistan, Syria and in Ukraine and increased grants for West Africa and Somalia. Also new interventions have been established to support humanitarian crisis in Gaza/West Bank. By the end of the year, CARE Denmark had a total of 48 projects in 22 program countries, of which programmes in 5 countries are being phased out as part of a strategic adaptation.

Funds for specific programs and projects are transferred to CARE's country offices as they are utilized. In the financial statements, the utilization of funds is recorded at the time of transfer abroad or at the time of incurring any costs in Denmark. For the SPA framework, a change in the practice of accounting the administration fee has been made in 2023. The administrative contributions are now recorded based on actual incurred costs. This provides more accurate representation, ensuring that the administrative contribution covers the ongoing costs in the correct fiscal years.

Separate accounting is provided to public donors for individual grants.

#### RESTRICTED FUNDS FOR PROJECTS AND PROGRAMMES

	2023	2022	2021	2020	2019
<b>INCOME</b>					
Foreign Ministry/Danida, Fra	81.364	72.490	50.468	50.468	50.468
Danida other	22.513	45.742	31.069	5.815	4.081
European Union	8.676	28.891	56.050	52.846	31.745
Other public support	4.369	3.698	3.370	4.667	480
Private contributions	3.938	20.683	5.627	8.296	6.450
Income before periodization	120.857	171.503	146.583	122.092	93.223
Accrud Public support	39.639	-37.490	-10.729	-11.971	5.839
Total Income	160.497	134.014	135.855	110.121	99.063

#### Fundraising activities

In 2023, CARE Danmark raised a total of 13.89 million DKK from private individuals, companies and foundations, which accounted for 9.82 percent of the total income. The funds raised in 2023 are lower than compared to 2022. This is primarily due to significant designated income in 2022 received by CARE Denmark from foundations for interventions in Ukraine.

A significant portion of this year's private fundraising continues to come from regular members and contributors, who collectively provided support amounting to 9.9 million DKK, including 0.72 million DKK contributed as membership fees. CARE Danmark has experienced a slight decrease in the number of members and contributors from 7,221 members in 2022 to 6,802 members in 2023. The decrease is primarily due to the implementation of a new CRM system and a clean-up of the member database. The number of contributors decreased from 10,406 in 2022 to 8,273 in 2023.

In 2023, CARE Danmark received income from foundations and companies of 1.3 million DKK, which is significantly less than in 2022, mainly due to lowered opportunities for fundraising activities related to Ukraine crisis. In 2023, CARE Denmark was also part of the telethon Danmarks Indsamling, supporting humanitarian projects in developing countries. CARE Denmark's share was DKK 2.6 million for interventions in Laos, focusing on innovative climate solutions with a special emphasis on agriculture solutions targeted towards women.

#### TOTAL CONTRIBUTORS AND MEMBERS

	2023	2022	2021	2020	2019
Total contributors	8.273	10.406	11.388	13.547	15.965
Total individual members	6.802	7.221	7.766	8.557	9.637

#### Administration

The expenses for administration include all personnel, facilities, and running costs including depreciation that are not specifically related to activities concerning projects, communication, or engagement.

The administration percentage, which is calculated in relation to the total revenue, increased from 7.8 percent in 2022 to 8.0 percent in 2023. The calculation is based on the revenue earned in the fiscal year, unlike the practice prior years where the % was calculated based on the total income received. The management is highly satisfied with the maintained administration percentage in 2023.

#### The annual result and expectations for 2023

The annual result was a surplus from unrestricted funds totaling 0.56 million DKK compared to an originally budgeted surplus of a total of 0.6 million. The result is thus highly satisfactory and means that the free equity as of December 31, 2023 amounts to a total of 8.45 million DKK.

CARE Denmark has projected a surplus of 0.4 million in 2024. In December 2018, CARE Denmark implemented a new strategic plan with the objective of achieving substantial revenue growth by 2025, reaching a cumulative annual revenue total of 200 million DKK. The 2023 results have surpassed expectations, indicating that CARE Denmark is making significant progress toward the 200 million DKK target. CARE Denmark has developed a reserves policy that suggest methods for calculating minimum equity required to adhere CARE Denmark's needs in force-major situations. According to the policy the minimum required reserves balance is calculated to be 8.3 million DKK (subject to recalculation annually), that is achieved with the result as of end of 2023. The overall strategic target for reaching the equity to 10 million by the end of 2025 is still on track and the annual result for 2023 significantly contributes to it.

The Strategic Partnership Agreement with Danida is set at 55 million Danish kroner for both 2023 and 2024. CARE Denmark anticipates growth in funding from the European Union as well as an increase in new funds from grants dedicated to the humanitarian sector in 2024. Furthermore, the establishment of new partnerships, primarily with foundations, is expected in 2024 to collaboratively implement CARE Denmark's innovative activities and projects.

In 2024, CARE Denmark holds high expectations regarding the transformation of our work and organization considering our growth and strategic priorities, with a particular focus on climate adaptation and innovation in projects and programs. CARE Denmark anticipates a positive financial outcome with a surplus of 0.4 million towards the further build-up of free equity. The ambition for long-term financial improvement is substantial and the secretariat will continue to exercise tight and targeted financial management throughout 2024.

No events have occurred after the end of the financial period that would significantly impact on the Foundation's financial position.

# ACCOUNTING POLICIES

## General

The Annual Account is presented in accordance with the Danish Act on Foundations and Certain Associations and the Foundations rules, as stated in applied accounting procedures as well as notice article 1701 of December 21<sup>st</sup>, 2010, from the Danish Ministry of Culture on economic and administrative conditions for recipients of grants for running costs. The Annual Account policies are consistent with those of last year.

## Income Statement

### **Restricted Income**

Funds received for specific purposes, such as projects or educational activities, are recognised in the income statement under restricted income at the time of receipt.

Public funds and private contributions/gifts, which have been received but not spent during the fiscal year, are transferred to project accounts as "Prepayments". Furthermore, included in this item is support from previous years, which is used in the present financial year as well as interest from project accounts.

### **Use of Restricted Funds**

The annual expenditures in terms of transfers to and from the project countries and expenses incurred by CARE Danmark including payroll expenses financed directly by the individual projects are included under the item "Use of Restricted Funds".

### **Use of Other Funds**

Other expenses include project costs which are financed by own funds, communication and information, fundraising activities, operating expenses, depreciation, and staff costs comprising salary, including holiday pay and pensions.

### **Recognition of other contributions and subventions**

Private contributions are accounted for at the time of receipt. However, in the case of a preceding commitment, private contributions will be accounted for at the time of the commitment. Revenue in terms of inheritance and gifts are also accounted for in the income statement when the testator or grantor has given approval or based on a declaration of intent regarding the inheritance from the testator's representative.

Overhead contributions are recognised as income concurrently with the accounting of restricted funds.

## Balance Sheet

### **Tangible Fixed Assets**

Tangible fixed assets include other operating equipment and the furnishing of rented premises. Tangible fixed assets are measured at cost less accumulated depreciations and write-downs. All fixed assets are depreciated on a straight-line basis over four years except for investments in the furnishing of rented premises, which are depreciated over eight years.

### **Receivables**

Receivables are measured at amortised cost, which is usually similar to the nominal value, with deduction of write-downs to comply with expected losses.

### **Available Funds**

The cash balance comprises available cash as well as the credit balance in financial institutions in Danish kroner and foreign currency.

### **Accruals and Deferred Expenses**

Accruals are accounted for under the item, which comprise prepaid expenditure regarding the subsequent financial year. Accruals are calculated in relation to cost.

## Net Capital

The net capital consists of transferred accounting results from previous years. The available capital consists of available funds, other receivables and tangible fixed assets.

## **Liabilities**

Financial liabilities consist of the public grants, which remain on project bank accounts relating to ongoing projects. Other payables concern debt to creditors and public authorities.

Financial liabilities are measured at amortized cost, which usually corresponds to the nominal value.

#### **Conversion of foreign currency**

Transactions in foreign currencies are converted by the exchange rate of the day of recognition. Receivables, debt obligations and other monetary posts in foreign currencies, which are not recognised the day of the accounted exchange rate, will be converted to the exchange rate of the day of recognition. Differences between exchange rates, which occur between the transaction day and the day of payment and the balance day, are accounted for in the income statement as financial posts.

**OPERATING STATEMENT FOR 2023**  
for the period 1st January 2023 - 31st December 2023
